I think a lot of other people made some good points so I'm not going to repe			
I will play devils advocate though. I am a second year resident and I'm but	m		
For those of you saying that respect is earned, OP earned that shit by con	nc		Although this person sounds like a doctor, they mentioned they are still a "resident" e.g. a residency
		Other	program at a medical school. This means they are NOT a medical doctor YET but still a medical doctor
I will play devils advocate though. I am a second year resident and I'm but		Other	STUDENT. As such, they would have the label "other"
If you like the industry but don't care for the pay an employee in a clinic m	al Control of the Con		This person mentions consulting vet clinics. As such they can be considered in the "vet" label which
This poor clinic just askin about how to find a vet now has to weed thru all	tł 100realtx	Vet	includes vets and vet consultants
In phoenix, we are offering our new grads prosal 135k with 19% and a 40	k		
Dont stress about the other species- they make up such a small percentage	ge		
Also agree using the ICVA practice test. It's formatted like the real thing ar	nd
